Terms and Conditions of Enrolment

Registration and School Fees
The application fee is payable within 10 days of receiving the letter of acceptance. All fees and deposits must be paid to the BHMS bank account in Switzerland. The first year fee is payable upon receiving visa approval. All subsequent fees are payable before term start.

Academics
Students will receive guidance on academic, school and local regulations during their orientation session. Key documents including the Academic Policies and Student Handbook are readily available to students online as a reference and students are expected to be familiar with the regulations.

Transcripts & Credit Transfer
It is each student's responsibility to ensure that all high school and postsecondary transcripts are available during the admission process. If these records are not immediately available, a "provisional" acceptance letter may be issued authorising the applicant to begin a degree or other programme of study as an enrolled student for a limited period of time during which official documents required for matriculation are obtained. BHMS does not guarantee that academic credits from other institutions will be accepted.

Accommodation & Board
BHMS is obliged to provide room and board, as far as a student has contracted them. Room and board includes shared or single accommodation, 24-hour supervision as well as food and beverage privileges that include a daily breakfast, lunch and dinner buffet from Monday to Friday. Brunch and dinners are offered on Saturdays, Sundays and public holidays.

Internship
Students may choose to undertake their internships in Switzerland or internationally. During the Swiss internship, students will be under contractual obligation with their employers which will entitle them to receive a monthly trainee's gross salary of CHF 2,404. To qualify for internship in Switzerland, students are expected to meet specific academic, professional, and language skills standards set forth by BHMS. For non-EU students, working part-time off-campus during the academic semester is illegal and therefore not permitted.

Liability
Courses are held only with a sufficient number of participants. BHMS or its subsidiary company reserve the right to cancel courses due to insufficient participants, or due to circumstances beyond its control. In such a case, all fees paid in advance will be refunded to participants. Claims for damages or compensation in this case will not be entertained and the participant agrees that they are excluded. Classes will be held in rooms, buildings or locations determined by BHMS or its subsidiary company. The right of a participant to have classes or instruction in a specific classroom, a specific school building, or specific location is excluded. Claims for damages or compensation in this case will not be entertained and the participant agrees that they are excluded. In reasonable and justified cases, courses which have been started can be postponed, or alternatively continued in a location in another BHMS or subsidiary company school.

Refund Policy
In the event of cancellation 90 days or longer before the commencement date of the course, a refund minus the reservation fee will be made. For cancellation received after this deadline, there will be no refund made under any circumstances. If a student withdraws for any reason during the semester, no refund of any fee (registration, tuition, accommodation, meals) will be made. The same applies to students who are dismissed for academic/disciplinary reasons from the school. Students whose applications are not accepted or whose visa applications are rejected through no fault of their own, are entitled for a full refund excluding an administration fee of CHF 500. No refund is made for unused or partially used services, such as in tuition fee, accommodation, board or operating expense.

Applicable Jurisdiction
The present Terms & Conditions shall be governed by Swiss law. For any controversy arising between BHMS and a student and or agent, the place of jurisdiction shall be that of the Canton of Lucerne, Switzerland.
