## CRANIOSACRAL THERAPY

Support your body's innate ability to balance, restore and heal itself. Drawing on his expertise, Javier "senses" areas of tension in the body and helps release the stress in a safe, comfortable environment. Emerge feeling calm and energised, with increased clarity of mind. A powerful yet gentle way to balance the nervous system, craniosacral therapy can resolve stress, old injuries and sleeping disorders. Suitable for everyone, from new-born babies to the elderly.

60 mins | USD 500 per person

## LIQUID LIGHT

Combining techniques from Watsu, acupressure and craniosacral therapy, Javier honours the therapeutic potential of water. Dynamic movements interspersed with moments of stillness and gentle hydro-massage spark transformation at the physical, mental and emotional level. Performed in heated water, Liquid Light is helpful with arthritis, back and neck pain, fibromyalgia and other chronic pain diseases. It also has a positive impact on mood disorders like anxiety and PTSD, and spinal cord/brain injury due to trauma, stroke or degenerative disease.

## OSTEOTHAI

Osteothai forms a bridge between East and West. Combining powerful Thai massage with the precise and gentle touch of osteopathy, Javier works along your energy lines to release muscle tension and enhance mobility. This creative form of bodywork relieves musculoskeletal problems, as well as lower back, shoulder or neck pain. It also improves your range of motion.

90 mins | USD 600 per person

## VISCERAL MANIPULATION

This manual therapy focuses on the vitality of organs. Using targeted application of force, Javier restores the inherent motion and synchronicity of organs, re-establishing the brain-body connection. Feel the return of free movement as bodily functions improve noticeably. This therapy is excellent for easing abdominal and back pain, constipation and menstrual cramps.
