Each one is different and tailored to provide additional information corresponding to the page that it's on. Simply scan them with your smartphone's camera to discover more about Rampit USA and our range of products.

This one, for example, will play a video about Rampit USA and what we stand for.

Rampit USA, Inc.

Building Independence Since 1992.

Rampit USA proudly manufactures an extensive selection of the highest quality, residential, commercial, and portable ramp solutions.

Each ramp is expertly crafted for safety, durability, and ease of customization. Rampit USA ramps are also designed to excel in a diverse range of environments and accommodate a wide range of accessibility requirements.

The entire Rampit USA team is committed to providing the highest level of customer service, consistently providing personalized, timely, and accurate support, while building strong, long-lasting relationships with each of our partners and customers.

Made in America

Crafted with pride in the USA, every Rampit USA ramp and component stands as a testament to the countless brave men and women that we continuously serve.

Lifetime Warranty

We take immense pride in the unparalleled quality and craftsmanship of our ramps. To underscore this commitment, we're proud to offer a lifetime warranty on all Rampit USA residential ramps.

ISO 9001:2015 Certified

As one of the industry's only ISO Certified manufacturers, Rampit USA upholds the highest standard of quality and consistency, ensuring our ramps are safe, reliable, and of unparalleled quality.

Rampit USA, Inc.

Empower Series™

Semi-portable ramps and thresholds

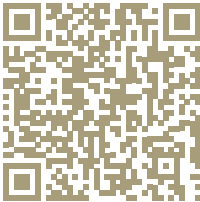

The Rampit USA Empower Series offers simple, practical solutions for quickly and effortlessly providing freedom and access to life's everyday tasks.

Empower Series™

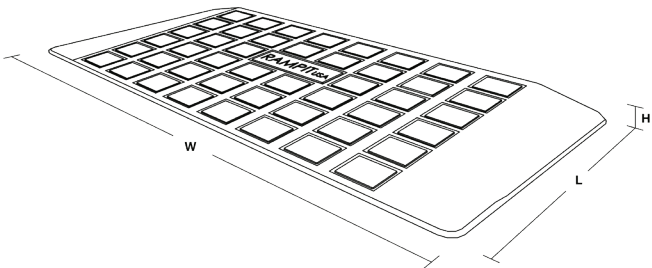

Rubber Threshold Ramps

Made of 100% recycled rubber and build to withstand 1,000 lbs, Rampit USA Rubber Threshold Ramps provide a quick and easy solution for adding safe, secure access.

Available in 8 Different Sizes

Height	Width	Length	Weight
1/2"	41 1/2"	3 1/4"	3 lbs.
3/4"	41 1/2"	6 1/2"	7 lbs.
7/8"	41 1/2"	8"	9 lbs.
1"	45 3/4"	12"	17 lbs.
1 1/4"	45 3/4"	14"	18 lbs.
1 1/2"	45 3/4"	18"	30 lbs.
1 3/4"	45 3/4"	21"	35 lbs.
2"	45 3/4"	24"	40 lbs.

Empower Series™

Curb and Butt Ramps

These ramps provide safe, secure access without the need for a complicated installation, using the same quality aluminum components as our residential ramps.

2'- 10'

Standard Lengths

28"- 48"

Standard Widths

Optional Handrails

All Rampit USA Curb or Butt Ramps are available with or without matching handrails.

Wheel Guards

Two-inch wheel guards surround our ramps and platforms, preventing accidents and ensuring safe travel throughout the ramp.

Self-adjusting Transition

The self-adjusting transition plate ensures a smooth transition on or off the ramp from most surfaces.

Choose from a curb or legs

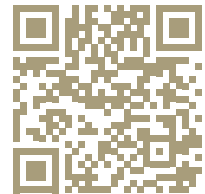

A curb hangs off the upper end of the ramp, enabling the ramp to rest on a door threshold or raised surface, while legs allow the ramp to “butt-up” to a raised surface without interfering with a swinging door.

Empower Series™

Bi-Folding Aluminum Ramps

Bi-Folding aluminum ramps give users a portable, easy-to-store ramp solution that can be used around the house or on the go.

Standard Sizes

Length	Width	Folded Width	Weight
2'	29"	15"	15 lbs.
3'	29"	15"	21 lbs.
4'	29"	15"	26 lbs.
5'	29"	15"	31 lbs.
6'	29"	15"	39 lbs.
7'	29"	15"	60 lbs.

Custom Sizes Available

We can custom-build nearly all of our products to meet different specifications. Contact us and we'll be happy to provide a quote.

Self-adjusting Transition

The self-adjusting transition plate ensures a smooth transition on or off the ramp.

Wheel Guards

Two-inch wheel guards surround our ramps and platforms, preventing accidents and ensuring safe travel throughout the ramp.

Extruded, anti-slip tread

Extruded, anti-slip tread ensures safe travel throughout the ramp.

Built in Adapter (not pictured)

The built-in adapter on the end of the ramp ensures a secure application with no installation necessary.

Empower Series™

Aluminum Threshold Ramps

Available in a wide variety of sizes and styles, aluminum threshold ramps are designed to provide safe and easy access over door thresholds up to 2-inches in height.

The most complete line of handicap accessible ramps in America

Rampit USA offers a complete line of residential, commercial, wood, and portable ramp components and accessories.

Independence Series™ Residential Ramps

The Independence Series is a lightweight, aluminum wheelchair ramp system designed for residential use.

Empower Series™ Ramps + Thresholds

The Empower Series offers simple, effective ramping solutions for on the go or around the house.

United Series™ Commercial Ramps

The United Series is our commercial line of aluminum ramps, built bigger and more robust for higher-traffic areas.

W.A.R. Series™ Wood Aluminum Ramps

The W.A.R. Series is built with an aluminum frame and treated dimensional lumber.

Everything Else Steps, Gates + Handrails

Custom-built handrails, steps, and gates offer additional access options for home or business.
