

BIOCUÁNTICA THERAPY

with CARLOS APARICIO

8 - 30 April 2025

Reconnect not only with Mother Earth but also with your own life.

Carlos Aparicio introduces the profound power of Biocuántica Original, a pioneering therapeutic technique based on Quantum Physics, with roots in Ayurveda and Traditional Chinese Medicine.

Relax deeply, support longevity, and achieve clarity and peace of mind. Transforming stress into a new vitality, Biocuántica Original harmonises the energetic systems of the body, unlocking life's full potential.

Hailing from Spain, Carlos answered life's call in 2017 by setting out on a scientific and spiritual journey. Today, he is an expert Biocuántica practitioner, along with a strong background in the Wim Hof Method and Vipassana.

Meet Carlos for a subtle yet powerful healing experience.

JOALI BEING

Biocuántica Original — Stress Relief & Longevity

Experience deep relaxation and boost longevity at this session, supported by bio-decoding and life counselling. Built around treating symptoms as well as root causes, Carlos' therapeutic work transforms emotional tension into new vitality and renovated energy.

60 mins
USD 450

Maternity & Fertility

This profoundly healing session creates ideal conditions for the future mother and baby. Drawing on his vast experience, Carlos aligns the energetic centres of the luminous body and removes blockages, offering remarkable outcomes.

90 mins
USD 650

Biocuántica Original Ultimate

An advanced Biocuántica therapy. Process and release deep-seated traumas, experience quantum cleansing and feel your perception shift. Carlos' healing touch helps you reorient low-frequency thoughts and feelings into elevated emotions.

120 mins
USD 900

Power Nature & Bio-Decoding

Discover and unlock your power through the ways of animals in nature. Carlos uses bio-decoding methods to assess and treat both emotional disorders and physical symptoms, supported by life counselling.

30 mins
USD 220
