

MASTER IN

**INTERNATIONAL HEALTH
MANAGEMENT**

**FACULTY OF ECONOMICS
& BUSINESS ADMINISTRATION**

An aerial photograph of a city, likely Barcelona, Spain, showing a dense urban landscape with many buildings. In the center, a large, ornate Gothic cathedral with a tall spire is visible. The city is bathed in the warm, golden light of late afternoon or early morning. The text 'BEYOND LIMITS TO YOUR NEW CAREER' is overlaid on a yellow banner across the bottom of the image.

BEYOND LIMITS TO YOUR NEW CAREER

MASTER THE ART OF INTERNATIONAL HEALTH MANAGEMENT.

Step into the world of global healthcare leadership with the Master in International Health Management at BSBI.

This programme combines public health, policy, economics, and management to offer a truly interdisciplinary perspective. Learn alongside peers from around the world and tackle real-world challenges through case studies, simulations, NGO projects, and international fieldwork.

You will develop the skills and experience needed to take on leadership roles in hospitals, NGOs, consultancy firms, and healthcare policy organisations worldwide. Prepare to make a meaningful impact on health systems across the globe.

WHO WE ARE

BSBI is an award-winning institution dedicated to preparing students for global careers through accessible, high-quality education. We make international education personal and useful, providing guidance and encouragement to help students take bold steps—whether it's moving to a new country, starting a new career, or reinventing themselves.

INTERNSHIP

INTEGRATION

GAIN REAL-WORLD EXPERIENCE

The Master in International Health Management includes a mandatory internship, providing hands-on experience in professional environments. You will work alongside seasoned experts in dynamic settings, applying your skills in real time to strategic initiatives, business development, operations, and more.

Whether you complete your internship at a multinational company, an innovative start-up, or a socially-driven organisation, this immersive experience will strengthen your confidence, deepen your expertise, and expand your global professional network.

Inspiration and ability:

Elon Musk has been able to motivate thousands of employees with an ambitious vision: to change the world through sustainable mobility (Tesla) or make life on Mars possible (SpaceX).

International impact:

Many workers in their companies express that they are not here only for the salary, but for the sake of the salary, the purpose and magnitude of the challenge. Although his firm has billions of dollars in demand,

it is an example of

high-quality learning.

Students should

learn from

ADMISSIONS

REQUIREMENTS

To qualify for admission, applicants must meet one of the following pathways:

STANDARD ENTRY

- Applicants must submit a bachelor's degree certificate and transcript, proof of language proficiency (English or Spanish, depending on the programme), a CV, personal statement, and reference letter(s). If any documents are pending, a signed Declaration Form is required confirming submission before the programme starts.

*If applying for the **Dual Programme Award** with the University of Chichester, admission is only possible through the standard entry pathway.

NON-STANDARD ENTRY

- Applicants must provide an up-to-date CV, one official work reference confirming at least three years of relevant professional experience, and a personal statement explaining their motivation and suitability.

INTERVIEW

- All applicants must complete a short interview with the Sales Team to verify documents, assess programme knowledge, language level, and payment readiness.

LANGUAGE PROFICIENCY

If the programme is conducted in English

- A Bachelor's degree completed in a majority English-speaking country at a recognized university OR
- IELTS: Minimum score of 6.0 (with at least 5.5 in each component)

If the programme is conducted in Spanish

Exemptions from Spanish language proficiency requirements apply to:

- Native Spanish speakers
- Candidates who have completed their education in Spanish
- Candidates who obtained their undergraduate degree in Spanish in a Spanish-speaking country
