JOALI BEING

NURTURING OUR WORLD

*Inspiring Young Minds On
A Journey Of Sustainable Fun*

Trash to Treasure: *Eco Artists*

Turn everyday waste into “green” art! This fun-filled day of crafting sparks your creativity with exciting materials, cool techniques, and heaps of inspiration. Dive into the world of recycled wonders and help to create a better world for everyone.

For Kids

Wednesday, 3:00 pm – 4:00 pm

Nature’s Canvas: *Plant Pioneers*

Explore the magical world of plants! Discover the marvels of herbariums, observe the beauty of our island gardens, and fill your plant journal with sketches and stories. Young botanists and artists will love this journey into the plant kingdom.

For Kids & Teens

Friday, 10:00 am – 10:45 am

Re-make with Love: *Recycling Champs*

Unlock sustainability with a creative twist! Learn how JOALI helps to protect the planet and explore the 3Rs: Reduce, Reuse, Recycle. Join us for some exciting games that not only entertain but also educate on the importance of sustainable practices. Let's re-imagine recycling with love!

For Teens

Saturday, 11:00 am – 12:00 pm

Into the Green: *Tenarium Designers*

Set off on a mini adventure into nature! Join us to create your very own tiny ecosystems using glass jars, plants and playful decorations. Let's learn about plant care, balance and the magic of enclosed environments together.

For Teens

Sunday, 12:00 pm – 1:00 pm
