UN RÉVEILLON SUR MESURE

Dans une succession de détails, d'attentions et de délicatesse, le dernier soir de l'année est l'occasion de mettre à l'honneur notre géographie du goût qui intègre avant toute chose une dimension de plaisirs et d'excellence avec les plats emblématiques de notre carte et les créations de saison du Chef.

Au son de musiques traditionnelles et de chants lyriques réveillant la magie du lieu, La Sultana est plus que jamais une invitation au voyage intimiste et chamarré. De Marrakech à Oualidia, chaque hôte écrit sa propre histoire, savoure La Table de La Sultana, investit les lieux avec délice avec une coupe de champagne et un cadeau personnalisé, comme on le ferait dans une maison de famille.

Notre souhait est de désacraliser le moment pour vivre une expérience informelle de la Saint-Sylvestre et répondre au besoin de plaisirs « sur-mesure ».

Tables réservées pour les clients résidents et quelques privilégiés.

Consommation minimum de 1800 MAD par personne, choix à la carte.

NEW YEAR'S EVE DINNER AT LA SULTANA MARRAKECH

With La Sultana Marrakech's attention to detail, care and finesse, on the last evening of the year our aim is to prepare a special dinner, including all the emblematic dishes we are known for at La Table de La Sultana with additional creations from the Chef inspired by the festive season.

The dinner will be accompanied by Moroccan music and opera singing, revealing the extraordinary acoustics of the riad's architecture. The evening will provide an ode to intimate and colourful journeys from Marrakech to Oualidia. Each guest will create their own special memories, savor their favorite dishes, and delight in a welcome glass of champagne and a personalised gift - as one would receive in a true family house.

Our wish is to offer an informal and cosy experience to welcome in the New Year and fulfill the desire for tailor-made pleasures, whilst celebrating this wonderful time of the year.

Tables reserved for hotel guests and invites.

Minimum of 1800 MAD per person, order à la carte.
