

SONEVA SECRET

MALDIVES

For over thirty years, Soneva has held a simple belief: the most meaningful things are often the simplest. Shoes left behind. Noise softened.
Until what remains is presence, connection and a quieter world.

Set on the westernmost edge of the Maldives on the remote island of Dhipparufushi, Soneva Secret is shaped by openness, stillness and the feeling of complete removal from the everyday. Here, time slows and nature leads, while each experience unfolds with quiet intuition, absolute discretion and the effortless care that defines the rarest kind of luxury.

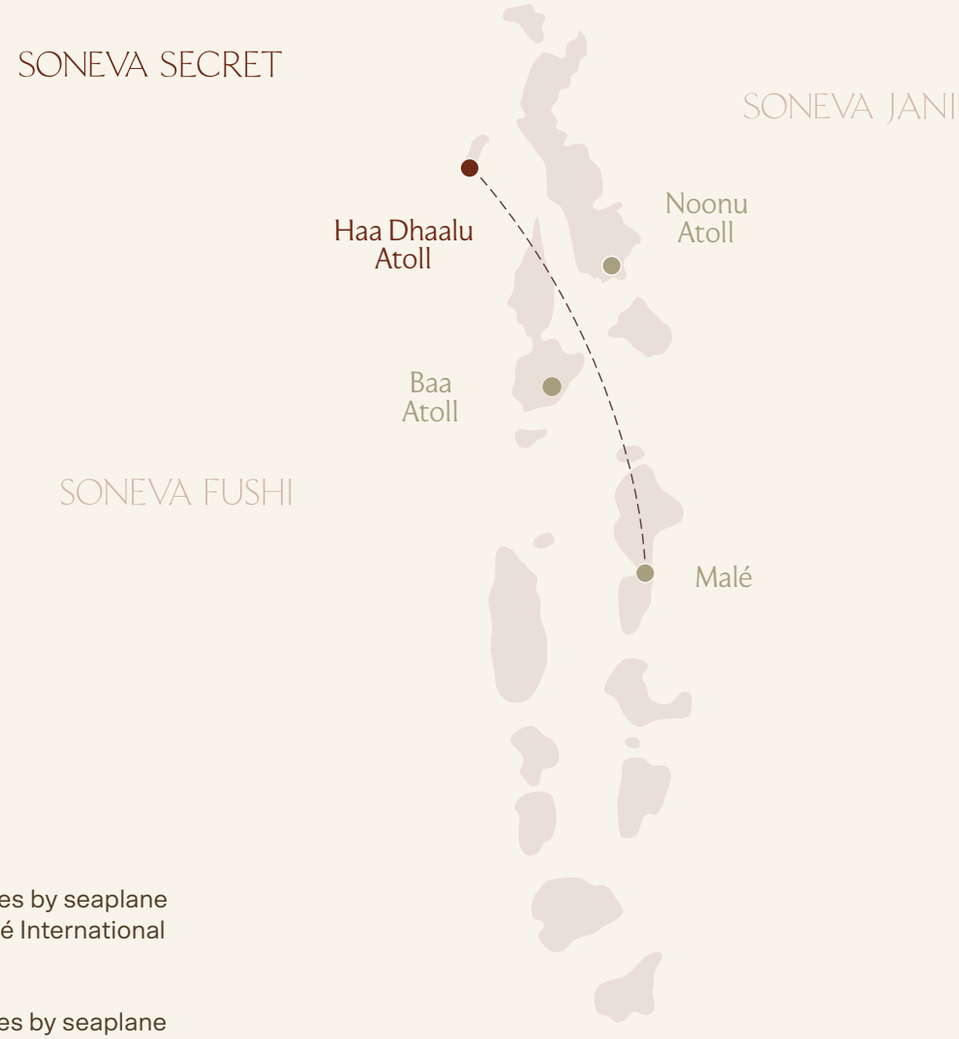

The Hidden Horizon

Soneva Secret is the most intimate expression of the Soneva philosophy — a private island retreat where extraordinary seclusion meets deeply personalised hospitality. Designed on a deliberately refined scale, the resort hosts just thirteen villas, creating a sense of unbounded space and calm where every detail feels intentional.

Surrounded by luminous turquoise waters and vibrant marine life, experiences are shaped entirely around the guest, from bespoke dining journeys, rituals in the privacy of your villa to ocean adventures and castaway moments designed to feel entirely your own.

Across every category, guests can expect private gyms, dedicated spa treatment rooms, open-air bathrooms and Smeg-equipped kitchens, from which tailored feasts emerge. The design blends indoor and outdoor living, with the beach just a few bare footprints away.
