GLASS UNITS WITH WINDOW DIVIDERS

PRESS GLASS offers a whole range of dividers. Windows with artfully arranged dividers gain a new, enhanced appeal. Available in a wide variety of colours (RAL) including two-coloured

sets, dividers can be installed with different types of glass, each time on the client's individual request. Moreover, they can be bent into curves or circles, and fixed at different angles.

EXAMPLES OF PATTERNS

White (8mm)

White (1808)

White (2608)

White (4508)

Bog oak (1808, 2608)

Dark oak (1808)

Mahogany (1808, 2608)

Duplex (9,5 x 24)

Walnut (1808, 2608)

Gold (1808, 2608)

Gold (8mm)

Golden oak (1808, 2608)

Bear in mind that patterns of ornamental glass and dividers should be selected based on presented specimens.

ORNAMENTAL GLASS

In multiple design solutions it is required that glass panes are perfectly transparent and ensure intimacy at the same time.

Right selection of ornamental structure of glass can enhance or aggravate transparency and image deformation properties. PRESS GLASS offers tens of types of ornamental glass.

We constantly modify our manufacturing processes and change habits to limit the negative effect on the environment. In order to facilitate the changes, we have adopted ISO 14001, the worldwide management system for environmental protection.

We kindly request you to minimize the negative effect of this leaflet on the environment by using it multiple times. Please recycle the used leaflet, using the waste sorting method. Thanks to that, the materials can be used again.

Paper has always been and will always be a vital aspect of project and marketing activities. The selection of paper produced in accordance with sustainable development and environmental protection (FSC certificates) and/or recycled paper is becoming a key issue.

Our plants and products are audited or certified by acknowledged certification bodies, including:

BCCA, BSI, CQC, ICiMB, IFT, IGMA, KIWA, RISE, UKAS and WarringtonFire.

We make every effort to ensure that presented publication contained current information as of the date of print. Due to the continuous development of our product range may differ from market to market. Product's availability should always be confirmed with Sales Department.
