Adaptation Cabernet Sauvignon is Napa Valley's *best kept secret*.

Adaptation by Odette Estate has been a staple in the PlumpJack Collection's portfolio for over a decade, and in 2021, it got a new look. Though the name was chosen pre-2020, the timing of Adaptation's latest debut felt especially poignant after a year where we learned to adapt in ways few of us would have thought possible. This complex yet elegant wine is the culmination of decades-long friendships with Napa Valley growers that allow us to capture the essence of the current moment, making Adaptation a hidden gem among Napa Valley wines.

The backbone of this blend comes from our newest estate vineyard, Oso, which delivers an abundance of rich fruit flavor, color, and tannin, providing the framework and structure to carry this wine. The rest of the blend is composed of Cabernet Sauvignon from Ink Grade on Howell Mountain, Solares in St. Helena, Crossroads in Oakville, our home Estate in the Stags Leap District, and Blue Tooth in Oak Knoll, and Merlot from Las Amigas in Carneros. By blending these unique sites, we capture Napa Valley's exceptional diversity and reveal the complexity of Cabernet Sauvignon in an approachable, elegant style.

tasting notes

“

The 2021 Adaptation Cabernet Sauvignon leads with a heady aromatic rush of lilac, blackcurrant, ripe raspberry, vanilla, and clove. The palate reveals flavors of blackberry cobbler, fig, and raw almond packed around a tight-knit core of soft tannin. The judicious use of new French oak lends structure while adding a flash of espresso and cedar through a luxurious finish.”
