

*Creating core memories,
one island day at a time*

JULY - AUGUST 2026

JOALI

Hello, young explorers! Are you ready for a summer filled with wonder, wild adventures, and the magic of new friendships? This season, JOALI Maldives invites you to step into a world where your imagination takes the lead.

At Muramas Kids Club, every day is shaped by creativity, exploration and play. Designed especially for children aged 4 to 12, the JOALI Summer Camp brings together island adventures, outdoor activities and hands-on experiences that encourage young guests to discover new interests, build confidence and form lasting friendships.

While young guests fill their days with adventure and discovery, parents can take time to savour the island's many delights, from moments of relaxation to experiences shared together as a family.

A SEASON SHAPED BY CREATIVE RESIDENCIES

This summer, a remarkable group of creators, visionaries, and champions join us at JOALI Maldives, bringing new perspectives, creative practices and inspiring experiences to our island.

From contemporary sculpture and heritage craftsmanship to chocolate artistry, each resident invites guests to discover a different way of seeing, creating and connecting with the world around them.

Please note that residency schedules are subject to change without prior notice.

AURÉLIE HOEGY
