OPTIONS TO

STUDY WITH BSBI SPAIN

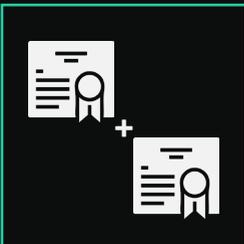

OPTION A

PROFESSIONAL MASTER

Professional Diploma awarded by BSBI, accredited by Cualificam.

OPTION B

DUAL PROGRAMME AWARD

Professional Diploma awarded by BSBI, accredited by Cualificam.

+ **Academic degree awarded by Chichester University**

The Master in Information Technology Management is certified by CUALIFICAM, overseen by the Fundación para el Conocimiento Madrimasd, ensuring compliance with the European Higher Education Area (EHEA).

Upon arriving in Spain, you have the opportunity to upgrade your Master in Information Technology Management to a Dual Programme Award with the University of Chichester (UK), provided you meet the entry requirements.

MASTER IN INFORMATION TECHNOLOGY MANAGEMENT

Over the duration of this programme, you will gain expertise in IT domains such as computer science, digital transformation, and emerging technologies, while choosing a specialisation in sustainable development or project management. You will put theory into practice through hands-on business projects, internships, and a dissertation guided by academic and industry mentors, learning at an institution that blends academic rigor with professional relevance.

This programme prepares future leaders in a high-demand, tech-driven world. You'll stay at the cutting edge of AI, machine learning, and digital transformation, build real-world experience, and connect with a global network of peers, faculty, and industry experts—opening doors to careers in leading international organisations.

Subject rankings: Business & Management – 97th (Guardian 2025) & Marketing – 66th (Complete University Guide 2025)

ADMISSIONS

REQUIREMENTS

To qualify for admission, applicants must meet one of the following pathways:

STANDARD ENTRY

- Applicants must submit a bachelor's degree certificate and transcript, proof of language proficiency (English or Spanish, depending on the programme), a CV, personal statement, and reference letter(s). If any documents are pending, a signed Declaration Form is required confirming submission before the programme starts.

NON-STANDARD ENTRY

- Applicants must provide an up-to-date CV, one official work reference confirming at least three years of relevant professional experience, and a personal statement explaining their motivation and suitability.

*If applying for the **Dual Programme Award** with the University of Chichester, admission is only possible through the standard entry pathway.

INTERVIEW

- All applicants must complete a short interview with the Sales Team to verify documents, assess programme knowledge, language level, and payment readiness.

LANGUAGE PROFICIENCY

If the programme is conducted in English

- A Bachelor's degree completed in a majority English-speaking country at a recognized university OR
- IELTS: Minimum score of 6.0 (with at least 5.5 in each component)

If the programme is conducted in Spanish

- Exemptions from Spanish language proficiency requirements apply to:
- Native Spanish speakers
 - Candidates who have completed their education in Spanish
 - Candidates who obtained their undergraduate degree in Spanish in a Spanish-speaking country
