Points of interest:

- A Restored water fountains dating back to the French Protectorate.
- B Hand-made Moroccan carved white plaster inspired by the Saadian patterns.
- C Display of a textile pattern book archive dating from the 1920s in a «Tadelakt» stripe stair representing water, fire and air.
- D Mosaic «Zellige» with the same pattern found in the original house before the refurbishment.
- E Orientalist painters Gharbaoul & Bertuchi intertwined in ochre tone.
- F Little street that provided access to original Moroccan houses «Riads».
- G Gilded copper entrance door with the inscription in the Tadelakt of «Kan Ya Makan» (Once upon a time), similar to the door of the Mausoleum of the Saadian Princes.

GARDEN ROOFTOP
