A PLUMPJACK COLLECTION OF WINERIES PROJECT

ADAPTATION WINES
5998 SILVERADO TRAIL, NAPA, CA

Adaptation Cabernet Sauvignon is Napa Valley's *best kept secret*.

Adaptation by Odette Estate has been a staple in the PlumpJack Collection's portfolio for over a decade, and in 2021, it got a new look. Though the name was chosen pre-2020, the timing of Adaptation's latest debut felt especially poignant after a year where we learned to adapt in ways few of us would have thought possible. Sourced from renowned vineyards spanning the region, including Howell Mountain, Pope Valley, Oak Knoll, Stags Leap District, and Carneros, this complex yet elegant wine is the culmination of decades-long friendships with Napa Valley growers. These relationships enable us to capture the essence of the current moment in the industry, making Adaptation a potential hidden gem among Napa Valley wines.

Adaptation Cabernet Sauvignon, Napa Valley, is opaque purple, with notes of wild blackberries, luxardo cherries, plums, crème de cassis with hints of fresh spring flowers. Full bodied and beautifully ripe, but elegant, with very fine, well integrated tannins and a gorgeous silky texture that gives this wine upfront appeal with long-term potential. Whether you're taking it along on a camping adventure and enjoying it with your cast-iron steak over an open flame or pairing it with your Michelin-starred meal, this is a wine that relates to both the everyday and discerning wine drinker.

“

The 2019 Adaptation Cabernet Sauvignon is a gorgeous expression of Napa Valley Cabernet Sauvignon from a superb vintage. Revealing blackberries, black currants, crème de cassis, with hints of espresso, cocoa powder, and fine gravely undertones, this seamless full-bodied wine carries remarkable freshness and purity, delivering up front appeal with long-term potential.”
