FRIENDLY FLAVOURS: MOCKTAIL LAB FOR KIDS

Kids stir up cheer with delicious, creative mocktails, inspired by kindness, friendship and positivity. As we make drinks using colourful juices, fresh fruits and sparkling kombuchas, every sip becomes a way to share the spirit of well-living.

TIES THAT BLOSSOM: FRIENDSHIP BRACELETS

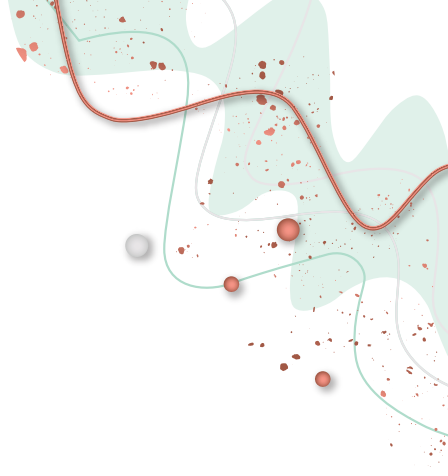

Kids create vibrant bracelets for each other – a simple, heartfelt token of friendship down the ages. It’s a hands-on reminder that kindness often lives in the smallest gestures, shared between tiny hands and big hearts.
