

OUR ORIGINS RESIDE IN OAKVILLE

BEHIND THE WINES

Winemaker Aaron Miller joined PlumpJack Estate in 2012 and has been dedicated to crafting Oakville Cabernet Sauvignon ever since. Miller made the 300 club after receiving three perfect scores for the 2013, 2015, and 2016 vintages of PlumpJack Reserve Cabernet Sauvignon.

OUR ESTATE

Nestled in the world-renowned Oakville corridor, we are surrounded by 42 acres of historic vineyards on the nape of the Vaca Mountain Range. PlumpJack Estate was the first winery in the PlumpJack Collection. Our namesake, one of Shakespeare's most memorable characters, Sir John "PlumpJack" Falstaff, was inspired by our century-old estate, comprising a winery building that dates back to the 1880s where we still make wine today.

THE START OF SCREW CAP

PlumpJack Estate Winery pioneered screw cap usage for luxury red wines in 1997, and we continue to do this for 50% of our Reserve and Estate Cabernet Sauvignons.
