

INSTALLATION INSTRUCTIONS

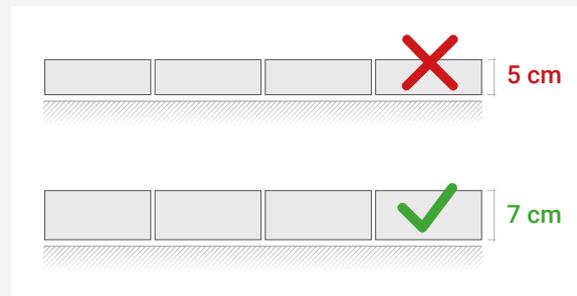

LARGE BLOCK PAVERS AND SMALL BLOCK PAVERS

Lay large block pavers upright.

Large block pavers

Vertical 8 cm: 21 x 7 x 8 cm (l x w x h)

Small block pavers

Vertical 7 cm: 15 x 5 x 7 cm (l x w x h)

How are these pavers laid?

Have large block pavers and small block pavers laid by a professional. **Note:** lay the large block pavers and small block pavers upright. In other words, the paver must be turned a quarter turn when compared to the position on the pallet.

Information on cleaning and maintaining our Schellevis pavers can be found at www.schellevis.nl
