## WORLD MENTAL HEALTH DAY

*October 10, 2024*

On this World Mental Health Day, join us in honouring the importance of mental and emotional wellbeing. This is a time to reflect on the strength found in balance, to celebrate the power of inner peace, and to reconnect with yourself. Through mindful rituals and experiences, we encourage you to pause, reset, and emerge feeling restored. Let this be a day to prioritise your mental wellbeing and embrace the journey towards lasting joy.

## Reminiscence by JOALI: Alchemy Bowl Sound Healing and Advanced Holistic Massage

Immerse in a holistic journey of relaxation and renewal. This carefully crafted ritual begins with sound healing to improve focus and clarity, followed by an Advanced Holistic Massage.

Combining marma therapy, chakra alignment, and enriching blends, the treatment eases stress and supports overall wellbeing. A Subtle Energies facial marma massage with aromatic actives rounds off your experience, balancing emotions and reducing anxiety. Emerge rebalanced and renewed, ready to embrace joy.
