

# INTERNATIONAL YOUTH DAY

12 AUGUST 2025

Today we celebrate JOALI's young explorers — and those who are forever young at heart! Sparkling with possibility, our island is the perfect place to get moving, elevate your skills, and connect with new friends.

## BEACH VOLLEYBALL FOR TEENS

Kick off your shoes for a lively game of volleyball on the beach. Music and laughter fill the air at this friendly competition — it's all about working as a team and having fun. Exchange good vibes as you serve, set and spike your way across the sandy court. Let's play!
