

GLOBAL RECYCLING DAY

18 March 2025

At JOALI BEING, guests and hosts come together to protect our planet. We invite travellers of all ages to join the effort! Help keep our oceans pristine and transform waste into art.

Coral Guardians: House Reef Clean-up

Put on your snorkelling gear and dive into the world of coral conservation. By volunteering for our house reef clean-up, you can play a part in keeping the marine ecosystem clean and healthy. Let's clear away any rubbish and impurities so the corals can thrive.

10:00 am to 11:00 am

Complimentary (maximum 6 guests)

Marine Centre

Trash to Treasure Eco Art

Calling young eco-artists to B'Kidult! Join us for an exciting workshop, where we will transform old paper into cool new creations. Learn how recycling helps the earth and discover how small creative steps can make a big difference.

10:30 am to 11:30 am

Complimentary

B'Kidult

For reservations, please contact your Jadugar.
