

thrislington cubicles

Based in Los Angeles USA, since 1906, Bobrick has been an industry leader in well-designed, value oriented restroom accessories.

thrislington cubicles

Thrislington have been building the world's best toilet cubicles at their factory in the United Kingdom since the 1960s.

Koala Kare Products is the world's most recognised brand of baby changing stations and commercial childcare products.

fino collection

Crafted with high quality satin finish, stainless steel with seamless construction and well defined edges. Our **Fino** Collection offers the perfect balance of function and design sensibility.

The washroom accessory range offers a hand dryer, paper towel dispenser and waste bin, all sharing the same width for a coordinated design. The cubist simplicity adds a new level of sophistication to any washroom.

The cubicle range, which includes toilet roll holders and matching hooks, offers a subtle design for inside the cubicle. The cylindrical aesthetics are the perfect complement to the rest of the **Fino** Collection. For those larger projects, a jumbo roll holder is available.

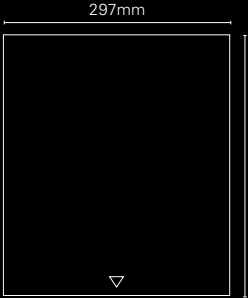

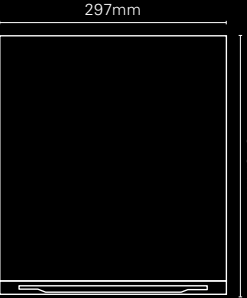

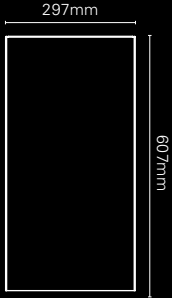

Features & Benefits:

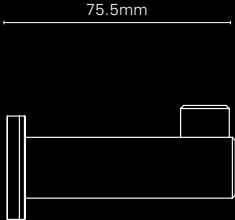

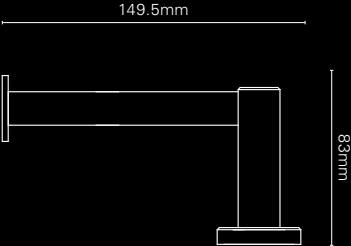

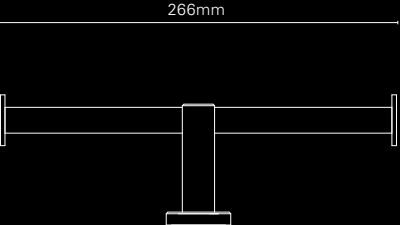

Made in UK.

5-year warranty.

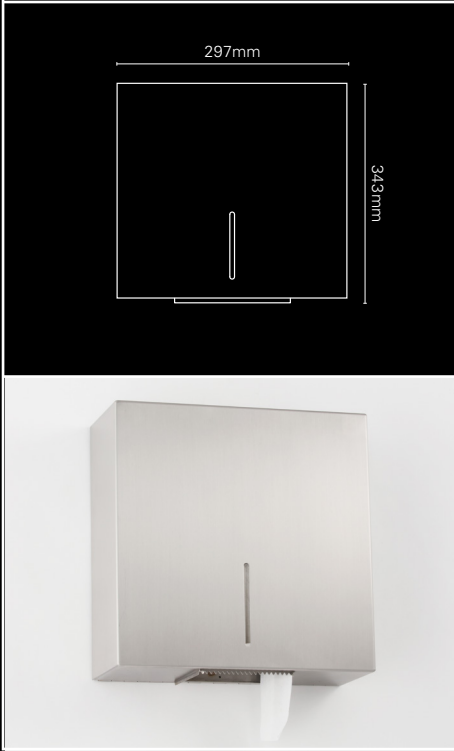

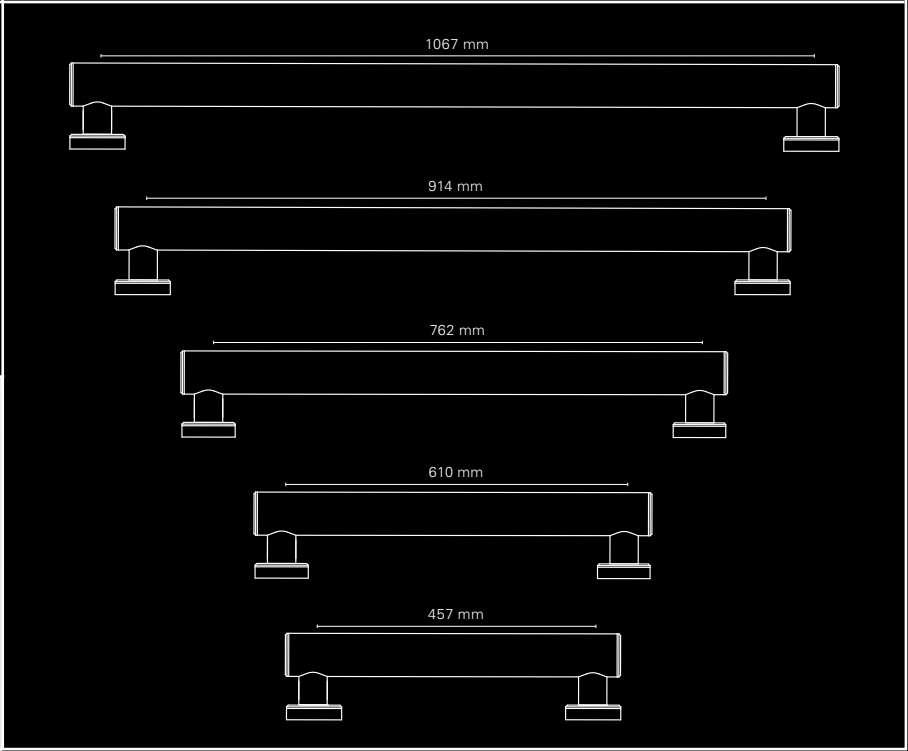

B-9262 Towel Dispenser and B-9279 Waste Receptacle with Oasis high pressure laminate cubicle

Hand Dryer B-7179	Towel Dispenser B-9262	Waste Receptacle B-9279
Specification: Stainless steel high-speed hand dryer with power consumption of 200 watts. GreenSpec certified and ADA compliant with less than 4" protrusion from the wall. C-UL-US-listed and CE-marked. koala kare baby changing stations

KB310-SSRE Koala Kare recessed stainless steel unit with Oasis stainless steel cubicle and B-9279 Fino waste receptacle

KB310-SSRE Koala Kare recessed stainless steel unit shown open

Baby changing stations that feature a one-piece, deep-drawn, uniform grain stainless steel exterior. This construction eliminates seams, sharp edges, and weld lines to form a modern aesthetic.

Laser etched logo, and an easy to load and use dual cavity dispenser for sanitary bed liners and nappy disposal bags. The stations come with a wall-mounted, stainless steel bag hook to make accessing the nappy bags easier and safer.

The polypropylene bed surface contains exclusive Microban® antimicrobial product protection, which reduces odour-causing bacteria between cleanings.

Features & Benefits:
5-year warranty.

Available in recessed or wall mounted versions.

Will support 200 lbs with minimal deflection.

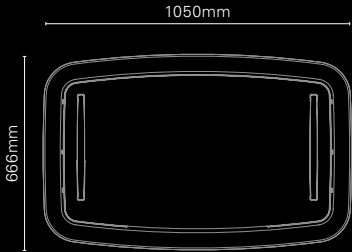

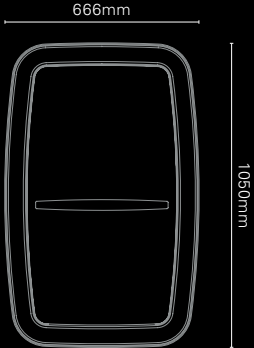

Built in dual cavity liner dispenser.

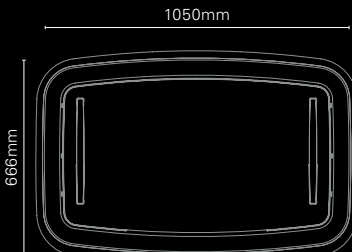

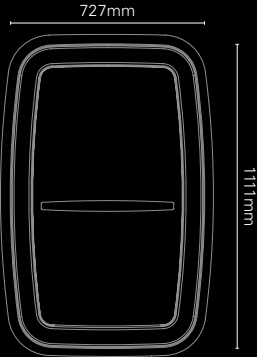

No seams, sharp edges, or weld lines.

304 stainless steel with brushed satin finish.

Also available in matt black.

External stainless steel bag hook available for installation beside the unit.
