

INTERNATIONAL DAY OF *FRIENDSHIP*

July 30, 2024

Renew the bonds of friendship as you share magical moments,
from sunrise to sunset.

Come together and plant seeds for new growth, just like the
young tree saplings we plant on the island for sustainability.

Today is a reminder to cherish the closeness, support and
love you share, to continue to build on your connection,
experiences, and memories.

Time spent together on our Island of Joy is even more
meaningful as it is imbued with the strength of your friendship.
