FOR THE LOVE OF FOOTBALL Workshops with Trevoh Chalobah

“Improve not prove”

Take your game to the next level with Trevoh Chalobah, the English footballer who currently plays as a centre-back for Chelsea FC.

In the spirit of nurturing the next generation of players, Trevoh will host two workshops at JOALI BEING. Aspiring footballers can build confidence as they master technical drills and play skill-focused games in a supportive, inspiring environment.

Trevoh is uniquely qualified to train young players, based on his own personal experience. He joined Chelsea at the age of eight and represented England at various youth levels, including the Under-19 team, with whom he won the 2017 UEFA European Under-19 Championship. Today, he is a key player for the club, known for his strong defensive abilities and composed style.
