

WORLD MANTA DAY

17 September 2025

“Meet our sleek, fascinating neighbours.”

Did you know the Maldives is home to over 5,000 reef manta rays, the largest known population on the planet? Let JOALI BEING guide you through the world of these majestic creatures.

JOALI BEING

MANTA SNORKELLING TRIP

Embark on an unforgettable journey to encounter elegant manta rays in the wild.

Our experienced guides select the best location based on current conditions and recent sightings.

Private Trip to Hanifaru Bay

Explore the world-renowned UNESCO Biosphere Reserve in the comfort of a private charter. Ideal for families or small groups seeking a more personalised experience.

10:30 am to 2:30 pm | USD 3,300 for up to 4 guests

Hanifaru Bay token: additional USD 20 per person

Group Trip to Manta Point (within Raa Atoll)

Visit up to two vibrant manta points within Raa Atoll, selected on the day to ensure the best possible chance of sightings.

Morning Departure: 10:00 am to 12:00 pm | USD 200 per person

Afternoon Departure: 3:30 pm to 5:30 pm | USD 250 per person

Minimum 4 guests, maximum 10 guests

MANTA RAY EDUCATION SESSION

Dive into the captivating realm of manta rays. Watch an informative presentation by one of our Biologists, followed by an interactive discussion. Bring your curiosity along — this is the perfect chance to prep for your manta snorkelling trip.

3:00 pm to 3:30 pm | Okyanus | Complimentary

MANTA SAND ART COMPETITION

Meet us on the beach to sculpt beautiful manta rays out of sand. Welcoming guests of all ages, this friendly competition sparks imagination and fosters team spirit — all while enjoying the great outdoors.

5:00 pm to 6:00 pm | B'Kidult Beach | Complimentary
