

WORLD TURTLE DAY

May 23, 2024

“To observe turtles in their natural habitat is both a joy and a privilege.”

One of the most ancient species on the planet, sea turtles have inhabited the waters around our island for millions of years.

JOALI BEING is actively involved in turtle research, conservation and rehabilitation in the Maldives. We even have our own turtle conservation sanctuary, run in partnership with the Olive Ridley Project.

On this special day, we invite you to discover the wonderful world of these wise, gentle creatures.

JOALI BEING

A Turtle's Journey: Snorkelling Trip

Let our experienced sea turtle biologist guide you to one of the best turtle snorkelling spots in Raa Atoll, which is very close to our island. Get up close with friendly Hawksbill turtles as they relax, swim and feed in the crystal-clear waters.

10:00 am to 12:00 pm

Marine Centre

USD 175 per person

*All prices are subject to 10 percent service charge and 16 percent government tax.
For more information or reservations, please contact your Jadugar.*
